One day, it was my sister's birthday, so we decided to go to the beach. Eight of us packed into the 2 cars. We brought sandwiches, some drinks, swimming suits, sunscreen, a beach ball, and 8 hats.

While we were sitting down to eat, a very naughty little squirrel came by and snatched a sandwich!

Later, while we were playing with the beach ball, I suddenly heard a cluck-cluck noise. It was a scorpion! We started jumping up and down as if we were in a trampoline park.

But then, another arose. The waves grew high and

splashed all over our clothes, so we had to change out our swimsuits for nothing. The sky turned dark and it began to drizzle, so we all got back into the cars and headed back home.

Thank you!
